Manual

Thank you very much for purchasing this product. Please read this user's manual carefully before using the product. There is a guarantee certificate at the end of this document, so please make sure to store it in a safe place.

Warning

- Make sure to use the right voltage, AC adaptor, etc. by following the specifications in this document.
- Do not use this product if you find any problems with it, including any damages, faults, deformities, broken cables, etc.
- ▲ If you notice any smoke, offensive smell, abnormal heat, etc. coming from the product, turn the power off and stop using it immediately.
- ▲ Do not pull on the power adapter cable or touch the plug area with wet hands.
- ▲ Do not leave or use this product or the power adapter in places that may be subject to high temperatures, such as stoves, etc.
- ▲ Avoid using this product with wet hands, or when it is damp or covered in dirt, etc.
- ▲ This product is not waterproof. Never use this product in places with high humidity, such as bathrooms, etc. This may cause burns, electric shocks, or product faults.
- ▲ If you notice any abnormal effect on your skin, stop using this product and consult your physician.
- ▲ Look at the list below carefully, and do not use this product if any of those conditions apply to you.
 - Never attempt to disassemble or reassemble, or do any type of maintenance work on this product by yourself. This may cause the product or its accessories to become damaged or faulty. Any issues caused to the product or its accessories by these actions are not covered by the product guarantee, and the company shall bear no responsibility for them.
- ▲ Avoid using this product excessively on sensitive areas of your skin.
- ▲ If you experience any pain, etc. during use, move the head plate immediately away from your skin.
- ▲ Do not subject the product to any strong actions such as by dropping or hitting it.
- ▲ The product is fully charged within approximately 4 to 8 hours. Do not continue to charge it once it is fully charged.
- ▲ Disconnect the charger cable from the product when it is not being charged.
- ▲ Do not wash this product with water. If dirty, take a damp cloth, wring it well, and use it to clean the product gently.
- ▲ Do not use solvents such as benzene, thinners, etc. to clean this product.
- ▲ Any injuries, faults, damages, etc. caused to the product due to your failure to follow the important notes and warnings stated above, any incorrect use or disassembly/assembly of the product, or any maintenance work done by yourself, are not covered by the product guarantee, and the company shall bear no responsibility for them.

- Please add more beauty serum, beauty gel or lotion when the plate doesn't slide well.
- After you finished care, please clean the machine with damp cloth. And apply any beauty cream to your skin to moisturize.

2-3times / week 10minutes / day

Recharging

- Make sure to recharge the product in the following situations: if you are using the product for the first time after purchase, if you have not used it for a very long time, if its power seems low, or if it seems to work for short periods of time.
- Insert the charging cable's connector into the device's charging port, and insert the AC adaptor into a household power outlet, mobile battery or USB port equipped personal computer.
- While charging the charge notification light "Power + Charge" turns on red light.
- The device may become slightly hotter while charging; however, this is normal.
- The charging time and operating time will vary depending on how frequently the product is used.
- The charging light changes to green when the product is fully charged. Make sure to disconnect the cable once charging is complete.
- This product cannot be used while connected to the charging cable. Make sure to check that the charging cable is disconnected when using the product.

- The most suitable room temperature for charging is 15°C to 30°C. Charging the product at low temperatures may shorten its battery life, so make sure to charge the product at the appropriate temperature. In addition, the
